

PASSENGER AND LIGHT TRUCK
PRODUCT GUIDE

KETER TIRE
usa

Drive the New World!

Keter (pronounced like Better), is the Hebrew word for "Crown", it can also mean "Top" or "Crest". The Keter Corporation was founded in 2009 with the vision, and mission, to be widely recognized as one of the Top Tire Suppliers in Tire Industry.

Over the past decade, Keter's **Customer Centric Philosophy** has earned the reputation of a different kind of Tire Supplier. One that is very accommodating and easy to do business with. **We are a Global Product Sourcing Enterprise with a very simple business model that allows us to address the unique needs of our individual Customers.** Our Customers see us not only as a strategic source for tires, and related products, but also as a trusted partner who is committed as much to their success, as to our own.

Keter Tire USA offers an extensive product line up in passenger, light truck and commercial truck products including the NeoTerra line which was specifically designed and developed to meet the demands of the US market.

NeoTerra

The NeoTerra brand offers some of the most Technologically Advanced products available. Focused on a balance between **Performance, Durability and Safety**, and delivered at a value price point.

All NeoTerra products are produced using the latest equipment and the most advanced facilities in the industry.

- **Advanced technology**
- **Proven quality, performance and durability**
- **Environmentally responsible**
- **Outstand warranty and satisfaction guarantee**

Wherever the road takes you, it's our mission to help advance your journey. We will be there with you as you drive your new worlds.

Drive Well and Safe Travels,

Rick Phillips, CEO

NEOTERRA

NeoTerra Brand products are produced utilizing the **world's most advanced** manufacturing technology, with three fundamental principles:

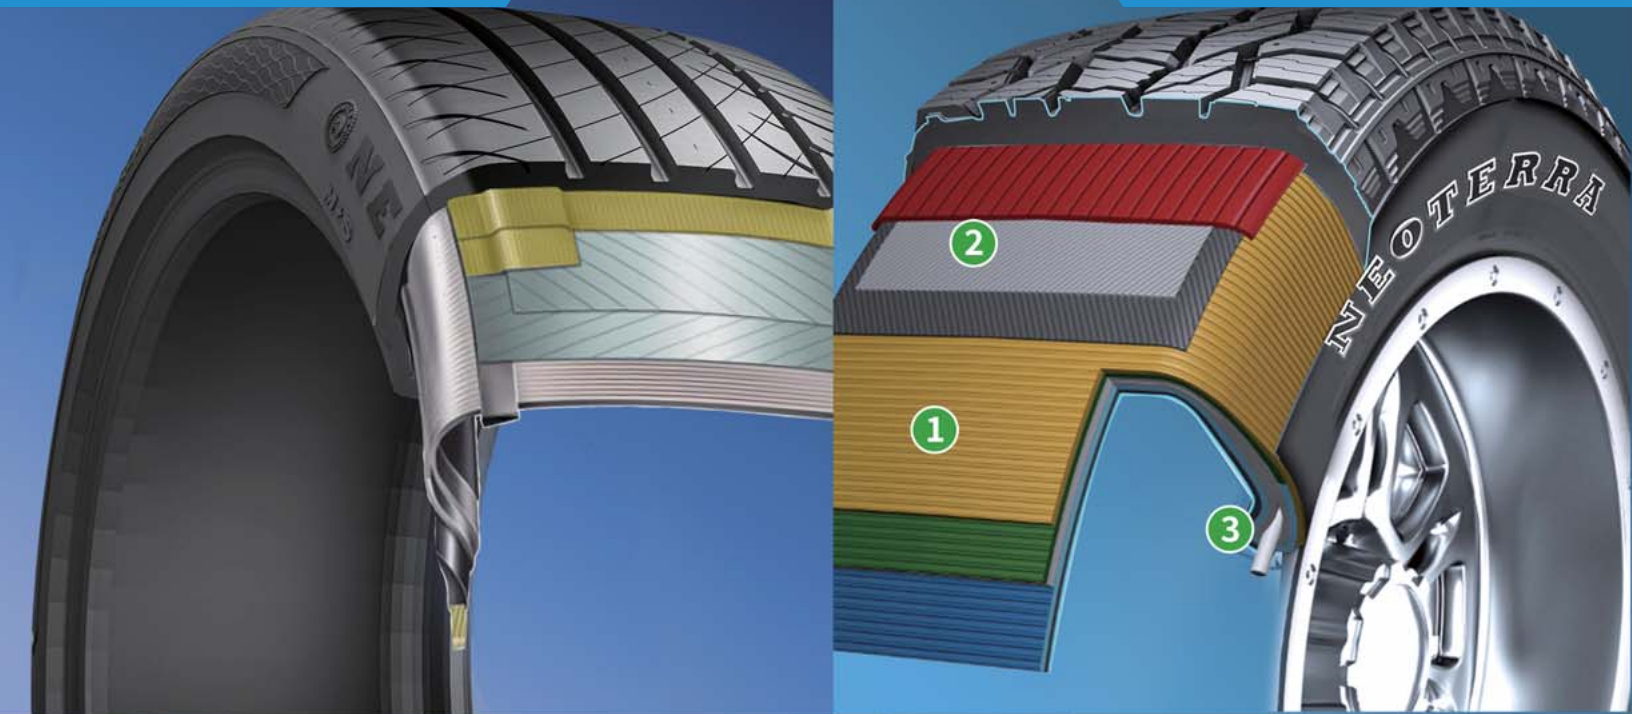

- Safety is in everything we do and we leverage the most advanced process and technology to improve driver safety.
- Relentless pursuit of quality and rigorous process control to deliver reliable product performance.
- Our products are engineered with great durability to stand up to every application and driving situation.

Every NeoTerra Product Comes With a
MONEY BACK GUARANTEE.

PASSENGER

LIGHT TRUCK

NEOTERRA PASSENGER & LIGHT TRUCK TIRES

Specially formulated compound developed specifically for North America road conditions. Outstanding handling and guaranteed long tread life.

- Patented tread patterns designed specifically for the North America market delivers enhanced driving experience and reliability.
- Manufactured at with state of the art technology in world class production facilities around the world with rigorous quality control and consistency.
- Passenger tire construction employs a seamless bead bundle for increased ride control and superior handling.
- Light truck construction features:
 - 1 Triple ply polyester design with high sidewall turn up.
 - 2 Two steel body ply's and two full nylon cap belts covering tread and shoulder area
 - 3 Larger bead with extra sidewall rubber produce robust performance combined with an ultra comfortable ride.

NEOTERRA PASSENGER/LIGHT TRUCK TIRE STANDARD WARRANTY

SATISFACTION ASSURANCE

Congratulations on purchasing your new NeoTerra tires!

To ensure you are completely satisfied, all NeoTerra passenger / light truck tires come with a 30-day Satisfaction Assurance. Within 30 days of purchase, if you are not completely satisfied for any reason, you may return these tires to your authorized NeoTerra dealer for a full refund of the purchase price on your sales receipt or exchange them for a different set of NeoTerra tires. This includes installation.

LIFETIME REPLACEMENT WARRANTY

For your peace of mind, Keter Tire USA warrants NeoTerra passenger and Light Truck tires for workmanship and material related conditions for the lifetime of the original tread of a new tire less 2/32nd. The lifetime of the original tread defines as the tread has worn down to 2/32nd measured in the fastest wearing groove. Keter Tire USA will replace the tire with another NeoTerra tire of the same design. Exclusions and owner's obligations are listed under NeoTerra Standard Warranty.

MILEAGE WARRANTY

Drive with confidence with NeoTerra tires. At Keter Tire USA, we offer mileage warranty to protect you, the driver, in the event of premature treadwear.

In addition to the provisions of limited warranty for covered conditions, any new NeoTerra tires listed below are protected against premature treadwear for up to five (5) years from date of purchase or the mileage listed below, whichever occurs first:

NeoTour® HP	60,000 Miles
NeoSport® UHP	50,000 Miles
NeoTrac® HT	50,000 Miles
NeoTrax® AT	40,000 Miles
NeoTrax® RT	NA
NeoTrax® MT	NA

Drive with confidence with NeoTerra tires. At Keter Tire USA, we offer mileage warranty to protect you, the driver, in the event of premature treadwear.

In addition to the provisions of limited warranty for covered conditions, any new NeoTerra tires listed below are protected against premature treadwear for up to five (5) years from date of purchase or the mileage listed below, whichever occurs first:

ROAD HAZARD WARRANTY

Rest assured that wherever your travels take you, you are covered under NeoTerra Road Hazard Warranty.

Every NeoTerra passenger and light truck tire is covered for damage caused, under normal on-road driving conditions, within the first 25% of the original tread life and within two (2) years from date of purchase. We will replace the tire, free of charge, with a comparable NeoTerra tire. Exclusions and conditions are listed under NeoTerra Standard Warranty.

Long Tread Life

Durable tread compound with reinforced construction stands up to heavy loads and helps extend tread life.

All Weather Performance

Four deep grooves and full-depth sipes provide enhanced traction and wet performance in severe weather conditions.

Quiet & Comfort Ride

Optimized tread design offers a quiet and comfortable ride.

Balanced Traction and Comfortability

Innovative hybrid tread design provides the perfect balance between off-road performance and on-road comfortable ride.

Robust Off-Road Performance

Uniquely engineered tread design with enhanced belt package ensures outstanding off-road performance.

Aggressive But Smooth

Optimized block pattern with special pitch alignment provides a smooth ride on highway surfaces.

Maximum Traction

Advanced tread compound and aggressive block design ensures maximum traction in severe off-road conditions.

Tough and Durable

Wraparound tread with enhanced body construction optimizes traction and helps resist punctures in mud, sand and rocks.

Confident Handling

Self-cleaning tread and shoulder area provides consistent traction and grip.
