NEOTERRA PASSENGER/LIGHT TRUCK TIRE STANDARD WARRANTY

Keter Tire USA stands behind and warrants every new NeoTerra brand Passenger and Light Truck tires purchased from an authorized dealer in United States.

SATISFACTION ASSURANCE

All NeoTerra passenger and light truck tires are covered by the 30-day “Satisfaction Assurance”. If for any reason you are not completely satisfied with your new set of tires within 30 days of date of purchase, and no more than 2/32nd of treadwear, you may return these tires to your authorized NeoTerra dealer for a full refund of the purchase price or exchange them for a different set of NeoTerra tires of same design. Mounting and balancing are free of charge for replacement of tires.

You have the option to exchange for another set of NeoTerra tires of different design, just pay the cost difference from the original purchase price if the cost of replacement tires is higher, plus applicable taxes.

This Satisfaction Assurance applies to the original new set of manufactured passenger and Light Truck tires purchased. Satisfaction Assurance replacement tires are not covered under this program.

SATISFACTION ASSURANCE ADMINISTRATION

Within thirty (30) days from the date of purchase, or the first 2/32nds of treadwear as measured in the fastest wearing groove, simply return your tires to the authorized NeoTerra dealer where your tires were purchased. The original sales receipt is required as proof-of-purchase. Reason for dissatisfaction must be explained to the dealer (i.e., appearance, ride, handling, etc.) and noted on the adjustment claim form.

5 YEAR REPLACEMENT WARRANTY

Keter Tire USA warrants every new NeoTerra Passenger and Light Truck tire for defects in workmanship and materials through the life of the original tread. Original Tread Life is defined as, from a newly installed product down to 2/32nd of measurable tread, or within five (5) years from the date of purchase or date of manufacture without proof of purchase. If any NeoTerra should incur a defect in workmanship or materials, Keter Tire USA will replace the tire with another tire of same design at a prorated cost. Within the first 25% of treadwear the tire is replaced at no charge.

MILEAGE WARRANTIES

In addition to the provisions of limited warranty for covered conditions, the NeoTerra tires listed below are protected against premature wear-out for up to five (5) years or the mileage indicated in the matrix below, whichever occurs first:

NeoTour HP	60,000 Miles
NeoSport UHP	50,000 Miles
NeoTrac HT	50,000 Miles
NeoTrax AT	40,000 Miles
NeoTrax RT	NA
NeoTrax MT	NA

If any NeoTerra tire, covered under this mileage warranty, wears evenly down to a tread depth of 2/32nd in less than the promised mileage and in less than five (5) years from dates of manufacture, Keter Tire USA will credit the owner a pro-rated amount based on the actual mileage toward the purchase of a new NeoTerra tire. Costs for mounting, balancing and other service-related costs are not included.

The owner is expected to care for their NeoTerra tires as follows:

- The tires should be balanced at installation and should be rebalanced, periodically and as necessary.
- Tires should be rotated at least every 6,000 miles or as recommended by the vehicle manufacturer.
- The wheels on the vehicle should be properly aligned per the vehicle specs.
- Failure to rotate tires as recommended could void this warranty.
- The vehicle should be properly aligned, either front end or all 4 wheel, as necessary.

ROAD HAZARD WARRANTY

It will be replaced free of charge with a comparable NeoTerra tire of same design.

A tire is not covered if it is considered repairable according to Rubber Manufacturers Association (RMA) standards. All Exclusions listed in this Standard Warranty below void this Road Hazard Warranty. Conditions and coverage are subject to change at any time without notice.
