MS331

Extended Service Life

Premium severe service compound offers outstanding cut/chip resistance and extended service life in tough driving conditions.

Ultimate Off-Road Traction

Extra deep 33/32nd aggressive self-cleaning tread helps resist mud or snow buildup and promote ultimate traction.

Enhanced Stability

Optimized block design with in-between bridges allows enhanced stability and constant gripping power.

Guaranteed Retreadability

Premium enhanced casing construction with deep undertread provides excellent retreadability.

MIXED SERVICE DRIVE

MS331
